**GROG**

(It's simple; just rum and water)

**LOBSCOUSE**

(They used to make it out of salt horse,  
and vegetables if they had any, which  
generally they didn't)

**HARD-TACK**

(Watch your bridge-work!)

**PLUM DUFF**

(They only got this on Sundays)

**NOTE:** A bumboat-man just came by with some  
fresh stores, so we have added salad and  
soft rolls in honor of the occasion.
